Statement of directors responsibilities and declaration on unaudited financial statements

General responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable Irish law and generally accepted accounting practice in Ireland including the accounting standards issued by the Financial Reporting Council and published by the Institute of Chartered Accountants in Ireland.

Irish Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements are prepared in accordance with accounting standards generally accepted in Ireland and with Irish statute comprising the Companies Act 2014. They are also responsible for safeguarding the assets of the company and hence, for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors' declaration on unaudited financial statements

In relation to the financial statements as set out on pages 4 to 9 :

- The directors approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.
- The directors confirm that they have made available to William Sheehan & Co., Accountants, all the company's accounting records and provided all the information, books or documents necessary for the compilation of the financial statements.
- The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the year ended 30th June 2025.

On behalf of the board

Timothy Moynihan
Director

Director

Capital and reserves					
Called up share capital			1		1
Profit and loss account			204,648		167,717
Equity shareholders' funds			204,649		167,718

The directors have relied on the specified exemption contained in Section 352 of the Companies Act 2014 on the grounds that the company is entitled to the benefit of that exemption as a small company and the abridged financial statements have been properly prepared in accordance with Section 353.

The directors state that:

- (a) the company is availing itself of the exemption provided for by Chapter 15 of Part 6 of the Companies Act 2014;
- (b) the company is availing itself of the exemption on the grounds that Section 358 is complied with;
- (c) no notice under subsection (1) of Section 334 has, in accordance with subsection (2) of that section, been served on the company;
- (d) they acknowledge the company's obligations under Companies Act 2014, to keep adequate accounting records and to prepare Financial Statements which give a true and fair view of the assets, liabilities and financial position of the company at the end of its financial year and of its profit or loss for such a year and to otherwise comply with the provisions of Companies Act 2014 relating to Financial Statements so far as they are applicable to the company.

The notes on pages 6 to 9 form an integral part of these financial statements.

Tim Moynihan Farming Enterprises Limited

Tim Moynihan Farming Enterprises Limited
Notes to the abridged financial statements
for the year ended 30 June 2025

1. Statement of accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

1.1. Basis of preparation

The unaudited accounts have been prepared in accordance with accounting standards generally accepted in Ireland and the Companies Act 2014. Accounting Standards generally accepted in Ireland in preparing financial statements giving a true and fair view are those issued by the Financial Reporting Council.

1.2. Turnover policy

Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

1.3. Tangible assets and depreciation

Tangible assets are stated at cost less accumulated depreciation and accumulated impairment loss. Cost includes all costs that are directly attributable to bringing the asset into working condition for its intended use.

Depreciation

Depreciation is provided on all tangible assets, at rates calculated to write off the cost less estimated residual value, of each asset systematically over its expected useful life, as follows:

Plant and machinery	-	12.5% Straight Line
Fixtures, fittings and equipment	-	12.5% Straight Line
Motor vehicles	-	12.5% Straight Line

1.4. Stock

Stock is valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items. Cost includes all costs incurred in the normal course of business in bringing the product or service to its present location and condition.

Raw materials, consumables and goods for resale are valued at purchase cost on a first-in, first-out basis.

1.5. Leasing and hire purchase commitments

Leases are classified as finance leases whenever the terms of the leases transfer substantially all the risks and rewards of ownership to the company. Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets at their fair value and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce constant periodic rates of charge on the net obligations outstanding in each period.

Notes to the abridged financial statements
for the year ended 30 June 2025

..... continued

1.6. Taxation and deferred taxation

The yearly charge for taxation is based on the profit for the year and is calculated with reference to the tax rates applying at the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax, with the following exceptions:

Provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold;

Provision is made for deferred tax that would arise on remittance of the retained earnings of overseas subsidiaries, associates and joint ventures only to the extent that, at the balance sheet date, dividends have been accrued as receivable;

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

2. Employees

There were no employees during the year apart from the directors.

2.1. Directors' remuneration

	2025	2024
	€	€
