The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time assets liabilities financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors' report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors declaration on the unaudited financial statements

In relation to the financial statements as set out on pages 7 to 15:

- * The directors approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgments underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.
- * The directors confirm that they have made available to James J Ffrench Accountants, all the company's accounting records and provided all the information, books, or documents, necessary for the compilation of the financial statements.
- * The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the period ended 10th November 2022
