Statements of director's responsibilities
for the year ended 31 December 2025

General responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable Irish law and Generally Accepted Accounting Practice in Ireland including the accounting standards issued by the Accounting Standards Board and published by Chartered Accountants Ireland.

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year. In preparing these financial statements the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors confirm that they have complied with the above requirements in preparing the financial statements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements are prepared in accordance with accounting standards generally accepted in Ireland and with Irish Statute comprising the Companies Acts 2014, and all Regulations to be construed as one with those Acts. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Declaration on unaudited financial statements

In relation to the financial statement as set out on page 8 to 16:

The directors approved these financial statement and confirmed that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgement underlying them. They have been prepared on a going concern basis on the ground that the company will continue in business.

The directors confirm that they have made available to Kmf Mangement Services, all the company's record and provided all the information, books or documents necessary for the compilation of the financial statement.

The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the year ended 31st December 2025.

Accountants' report on unaudited financial statements to the directors

We have compiled the financial statements of Farida Ali Limited for the year ended 31 December 2025 which comprise the Profit and Loss Account, the Balance Sheet, the Accounting Policies and the related notes. These financial statements have been prepared under the accounting policies set out therein and the requirements of the Financial Reporting Standard for Smaller Entities.

This report is made solely to the company's members, as a body, in accordance with section 193 of the Companies Act 2014. Our work has been undertaken so that we might state to the company's members those matters we are required to state to them in our report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and accountants

As described in the Statement of Directors' Responsibilities, the company's directors are responsible for the preparation of the financial statements in accordance with applicable law and the accounting standards issued by the Accounting Standards Board and promulgated by Chartered Accountants Ireland (Generally Accepted Accounting Practice in Ireland).

Our responsibility is to compile the financial statements of Farida Ali Limited in accordance with relevant legal and requirements regulatory and International Standards and records, information and explanations supplied to us by the company.

We report to you our opinion as to whether the financial statements give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, and are properly prepared in accordance with the Companies Acts 2014. We state whether we have obtained all the information and explanations we consider necessary for the purposes of our compilation and whether the financial statements are in agreement with the books of account. We also report to you our opinion as to:-

- whether the company has kept proper books of account;
- whether the Directors' Report is consistent with the financial statements; and
- whether at the Balance Sheet date, there exists a financial situation requiring the convening of an extraordinary general meeting of the company.

We report to the shareholders if, in our opinion, any information specified by law regarding directors' remuneration and directors' transactions is not given and, where practicable, include such information in our report. We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatement within it.

We have not audited or otherwise attempted to verify the accuracy or completeness of such records, information and explanations and, express no opinion on the financial statements.

Opinion

In our opinion the financial statements:

- give a true and fair view, in accordance with Generally Accepted Accounting Practice applicable to Smaller Entities in Ireland, of the state of affairs of the company as at 31 December 2025 and of its profit for the year then ended; and
- have been properly prepared in accordance with the requirements of the Companies Acts 2014.

We have obtained all the information and explanations that we consider necessary for the purposes of our work. In our opinion proper books of account have been kept by the company. The financial statements are in agreement with the books of account.

In our opinion the information given in the Directors' Report is consistent with the financial statements.

Accounting Policies
for the year ended 31 December 2025

.....continued

1 Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with generally accepted accounting principles in Ireland and Irish statute comprising the Companies Acts, 2014. They comply with the Financial Reporting Standard for Smaller Entities (effective April 2008) of the Accounting Standards Board, as promulgated by Chartered Accountants Ireland. The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

1.1. Turnover

Turnover comprises the invoice value of services and or goods supplied by the company, exclusive of trade discounts and value added tax. Turnover is recognised when the significant risks and rewards of ownership of the goods and or service have passed to the buyer, usually on dispatch of the goods

1.2. Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible fixed assets, less their estimated residual value, over their expected useful lives as follows:

Fixtures, fittings and equipment - 15% Straight line

1.3. Leasing

Tangible fixed assets held under leasing arrangements which transfer substantially all the risks and rewards of ownership to the company are capitalised and included in the balance sheet at their cost or valuation, less depreciation. The corresponding commitments are recorded as liabilities. Payments in respect of these obligations are treated as consisting of capital and interest elements, with interest charged to the profit and loss account.

1.4. Taxation

Current tax represents the amount expected to be paid or recovered in respect of taxable profits for the year and is calculated using the tax rates and laws that have been enacted or substantially enacted at the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more tax in the future, or a right to pay less tax in the future. Timing differences are temporary differences between the company's taxable profits and its results as stated in the financial statements.

Deferred tax is measured on an undiscounted basis at the tax rates that are anticipated to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

1.5. Tangible fixed assets and depreciation

Tangible Fixed Asset are modified when necessary to include the revaluation of certain fixed assets.

Depreciation is provided at rates calculated to write off the cost or valuation less residual value of each asset over its expected useful life, as follows:
