**8. Going Concern**

In the financial statements for 2022-2023 it was noted that the directors had agreed to swallow their loss and wind up the company. Unfortunately following the procedures for CORE and REVENUE has proved more difficult that it was assumed. These financial statements and those for 2023-2024 (same, all zeros as company is dormant-closed) have been prepared as part of an attempt to follow these procedures.
