## Director's report

The director presents their annual report and audited financial statements for the period ended 31 December 2024. The period in these financial statements is the 13 months (the "period") from 1 December 2023, the date of incorporation, to 31 December 2024.

The financial statements have been prepared in accordance with Financial Reporting Standard 101, 'Reduced Disclosure Framework' (FRS 101).

### Statement of director's responsibilities

The director is responsible for preparing the director's report and the financial statements in accordance with Irish law.

Irish law requires the director to prepare financial statements for each financial period/year giving a true and fair view of the company's assets, liabilities and financial position at the end of the financial period/year and the profit or loss of the company for the financial period/year. Under that law the director has prepared the financial statements in accordance with Irish Generally Accepted Accounting Practice (accounting standards issued by the UK Financial Reporting Council, including Financial Reporting Standard 101 'Reduced Disclosure Framework' and Irish law).

Under Irish law, the director shall not approve the financial statements unless they are satisfied that they give a true and fair view of the company's assets, liabilities and financial position as at the end of the financial period/year and the profit or loss of the company for the financial period/year.

In preparing these financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards and identify the standards in question, subject to any material departures from those standards being disclosed and explained in the notes to the financial statements; and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping adequate accounting records that are sufficient to:

- correctly record and explain the transactions of the company;
- enable, at any time, the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy; and
- enable the director to ensure that the financial statements comply with the Companies Act 2014 and enable those financial statements to be audited.

The director is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Principal activities and business review

The Company is a partner in International N&H Mfg. Ireland partnership (a partnership registered in Ireland) ("the Partnership"), whose main activity is linked to the processing and conversion of dissolved wood pulp from renewable sources into microcrystalline cellulose.

The company generated a loss for the financial period of €8,681, primarily due to an impairment charge of €8,676 which was recognised following an impairment review of the carrying value of the company's investment in International N&H Mfg. Ireland.

## Director's report (*continued*)

### Future developments

The director plans to continue the company's activities as an investment holding company.

### Small companies exemptions

The entity has availed of the small companies exemption contained in the Companies Act 2014 with regard to the requirements for exclusion of certain information in the director's report.

### Change of partners in the Partnership

The company's role as a partner in the Partnership arose as a result of a group restructuring plan executed in 2023 and 2024. This arose as follows:

- At the start of 2023, the Partnership's partners were an Irish Branch of Solae Europe Sàrl (a company incorporated in Switzerland) (99.9%), IFF N&H Ireland HC Limited (a company incorporated in Ireland) (0.0999%) and Arvin (0.0001%) (a company incorporated in the Isle of Man).
- Due to a group restructuring plan, the Partnership's partners changed in 2023 as follows:
  - On 8 December 2023, Solae Europe Sàrl transferred its Irish Branch's ownership interest (99.9%) in the partnership to Seamair Pharma Company Limited (a company incorporated in Ireland) in return for the issue of shares by Seamair Pharma Company Limited. Solae Europe Sàrl also undertook the wind-up of its Irish Branch.
  - On 28 December 2023, Seamair Pharma Company Limited transferred its ownership interest (99.9%) in the partnership to Trifolium Pharma Company Limited (a company incorporated in Ireland), in return for the issue of shares by Trifolium Pharma Company Limited.
- At 2023 year-end, the Partnership's partners were Trifolium Pharma Company Limited (99.9%), IFF N&H Ireland HC Limited (0.0999%) and Arvin (0.0001%).
- On 15 March 2024, Arvin transferred its 0.0001% interest in the Partnership to Shamrock Pharma Company Limited. To finance this matter, Shamrock Pharma Company Limited issued €1 of share capital for €9,700 in cash. This was then used to acquire this investment for €9,700.

At 2024 year-end, the Partnership's partners were Trifolium Pharma Company Limited (99.9%), IFF N&H Ireland HC Limited (0.0999%) and Shamrock Pharma Company Limited (0.0001%).

### Change of ultimate parent undertaking

The company's ultimate parent undertaking changed after the balance sheet date.

For the financial period ended 31 December 2024, the ultimate parent company and controlling entity was International Flavors and Fragrances Inc (IFF), which is incorporated in the United States of America. This was previously the largest and the smallest group that included the results of the Company in its consolidated financial statements. The registered address of this company is: IFF Global Headquarters, 521 West 57th Street New York, NY 10019, United States. Copies of International Flavors and Fragrances Inc consolidated accounts can be obtained from this address.

After the balance sheet date, on 1 May 2025 International Flavors & Fragrances Inc. sold their Pharma Solutions business to Roquette Frères, S.A., a company incorporated in France. The company is part of the Pharma Solutions business unit. On this date Shamrock Pharma Company Limited became a wholly owned subsidiary of Roquette Frères, S.A. The registered address of this company is: 1 Rue de la Haute Loge, Lestrem, 62136, France. Copies of Roquette Frères, S.A. consolidated accounts can be obtained from this address.

The immediate parent did not change during the period or after the period-end. The immediate parent is Trifolium Pharma Company Limited (a company incorporated in Ireland).

## Director's report (*continued*)

### Political and charitable donations

There were no political or charitable donations made during the period.

### Director and secretary

The names of the persons who were director and secretary during the period and up to the date of signing this report are set out below. Except where indicated, they served as director and secretary for the entire period:

#### *Director*

- Kieran Hannon (appointed 1 December 2023)

#### *Secretary*

- Bradwell Limited (resigned 31 May 2024)
- MHC Corporate Services (appointed 31 May 2024)

### Interests of director and secretary

The director who held office at 31 December 2024 had no interests in the shares in, or debentures or loan stock of, group undertakings as at 31 December 2024 and 1 December 2023. In accordance with the Articles of Association, the director is not required to retire by rotation.

### Accounting records

The director believes that they have complied with the requirements of Section 281 to 285 of the Companies Act 2014 with regard to maintaining adequate accounting records by employing personnel with appropriate expertise and by providing adequate resources to the financial function. The accounting records of the Company are maintained at Eastgate, Little Island, Co. Cork.

### Events after the balance sheet date

Events after the balance sheet date are set out in note 11.

### Relevant audit information

The director believes that they have taken all steps necessary to make themselves aware of any relevant audit information and have established that the Company's statutory auditors are aware of that information. In so far as they are aware, there is no relevant audit information of which the Company's statutory auditors are unaware.

### Going concern

The going concern basis continues to be adopted in preparing the financial statements. The director's assessment of the company's going concern position is set out in note 2.7.

# ***Independent auditors' report to the members of Shamrock Pharma Company Limited***

## **Report on the audit of the financial statements**

---

### **Opinion**

In our opinion, Shamrock Pharma Company Limited's financial statements:

- give a true and fair view of the company's assets, liabilities and financial position as at 31 December 2024 and of its loss for the 13 month period (the "period") then ended;
- have been properly prepared in accordance with Generally Accepted Accounting Practice in Ireland (accounting standards issued by the Financial Reporting Council of the UK, including Financial Reporting Standard 101 "Reduced Disclosure Framework" and Irish law); and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

We have audited the financial statements, included within the Director's Report and Financial Statements, which comprise:

- the balance sheet as at 31 December 2024;
  - the profit and loss account and statement of other comprehensive income for the period then ended;
  - the statement of changes in equity for the period then ended; and
  - the notes to the financial statements, which include a description of the accounting policies.
- 

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (Ireland) ("ISAs (Ireland)") and applicable law.

Our responsibilities under ISAs (Ireland) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Independence**

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, which includes IAASA's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

---

### **Conclusions relating to going concern**

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from the date on which the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the director's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

However, because not all future events or conditions can be predicted, this conclusion is not a guarantee as to the company's ability to continue as a going concern.

Our responsibilities and the responsibilities of the director with respect to going concern are described in the relevant sections of this report.

---

## Reporting on other information

The other information comprises all of the information in the Director's Report and Financial Statements other than the financial statements and our auditors' report thereon. The director is responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Director's Report, we also considered whether the disclosures required by the Companies Act 2014 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (Ireland) and the Companies Act 2014 require us to also report certain opinions and matters as described below:

- In our opinion, based on the work undertaken in the course of the audit, the information given in the Director's Report for the period ended 31 December 2024 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.
- Based on our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Director's Report.

---

## Responsibilities for the financial statements and the audit

### *Responsibilities of the director for the financial statements*

As explained more fully in the Statement of director's responsibilities set out on page 2, the director is responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view.

The director is also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the director is responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the director either intends to liquidate the company or to cease operations or has no realistic alternative but to do so.

### *Auditors' responsibilities for the audit of the financial statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Our audit testing might include testing complete populations of certain transactions and balances, possibly using data auditing techniques. However, it typically involves selecting a limited number of items for testing, rather than testing complete populations. We will often seek to target particular items for testing based on their size or risk characteristics. In other cases, we will use audit sampling to enable us to draw a conclusion about the population from which the sample is selected.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA website at:

[https://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description\\_of\\_auditors\\_responsibilities\\_for\\_audit.pdf](https://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description_of_auditors_responsibilities_for_audit.pdf)

This description forms part of our auditors' report.

### *Use of this report*

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with section 391 of the Companies Act 2014 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

---

## **Other required reporting**

---

### **Companies Act 2014 opinions on other matters**

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
  - In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited.
  - The financial statements are in agreement with the accounting records.
- 

## **Other exception reporting**

### *Director's remuneration and transactions*

Under the Companies Act 2014 we are required to report to you if, in our opinion, the disclosures of director's remuneration and transactions specified by sections 305 to 312 of that Act have not been made. We have no exceptions to report arising from this responsibility.

### 1 General information

Shamrock Pharma Company Limited (the “Company”) is an investment holding company.

Shamrock Pharma Company Limited is incorporated as a company limited by shares in the Republic of Ireland, under the registered number 753102. The address of its registered office is 6th Floor, South Bank House, Barrow Street, Dublin 4, D04 TR29.

Trifolium Pharma Company Limited, a company incorporated in Ireland, owns 100% of the equity share capital of Shamrock Pharma Company Limited.

Shamrock Pharma Company Limited’s ultimate parent and ultimate controlling party during the period was International Flavors & Fragrances Inc. International Flavors & Fragrances Inc. prepares group financial statements and is both the smallest and largest group for which group financial statements are drawn up and of which Shamrock Pharma Company Limited is a member. Copies of the International Flavors & Fragrances Inc. group financial statements are available from its registered office at 521 West 57th Street, New York, NY 10019-2960, USA.

After the balance sheet date, on 1 May 2025 the company’s ultimate parent changed to Roquette Frères S.A., a company incorporated in France. See notes 10 and 11 for more details.

These financial statements are the company’s separate financial statements for the 13 months (the “period”) from 1 December 2023, the date of incorporation, to 31 December 2024.

### 2 Principal accounting policies

#### 2.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with Financial Reporting Standard 101, ‘Reduced Disclosure Framework’ (FRS 101). The financial statements have been prepared under the historical cost convention, and in accordance with the Companies Act 2014.

The presentation currency of these financial statements is euro.

The preparation of financial statements in conformity with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company’s accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 3.

### **2 Principal accounting policies (continued)**

#### **2.1 Basis of preparation**

In preparing these financial statements, the company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards, but makes amendments where necessary in order to comply with the Irish Companies Act. The company has set out below where advantage of the FRS 101 disclosure exemptions have been taken.

FRS 101 allows a qualifying entity certain disclosure exemptions. The Company is a qualifying entity as its ultimate parent company, International Flavors & Fragrances Inc., prepares publicly available consolidated financial statements which are intended to give a true and fair view (of the assets, liabilities, financial position and profit or loss) and the Company is included in the consolidated financial statements. The consolidated financial statements of International Flavors & Fragrances Inc. are available to the public and may be obtained from 521 West 57th Street, New York, NY 10019-2960.

The following exemptions from the requirements of IFRS have been applied in the preparation of these financial statements, in accordance with FRS 101:

- The requirements of IFRS 7 'Financial Instruments: Disclosures'.
- The requirements of paragraphs 91 to 99 of IFRS 13 'Fair Value Measurement' (disclosure of valuation techniques and inputs used for fair value measurement of assets and liabilities).
- The following paragraphs of IAS 1, 'Presentation of financial statements':
  - 10(d) (statement of cash flows);
  - 16 (statement of compliance with all EU-adopted IFRS);
  - 38A (requirement for minimum of two primary statements, including cash flow statements);
  - 38B-D (additional comparative information);
  - 40A-D (requirements for a third statement of financial position);
  - 111 (cash flow statement information); and
  - 134-136 (capital management disclosures).
- The requirements of IAS 7 'Statement of Cash Flows'.
- The requirements of paragraph 30 and 31 of IAS 8 'Accounting policies, changes in accounting estimates and errors' (requirement for the disclosure of information when an entity has not applied a new EU-adopted IFRS that has been issued but is not yet effective).
- The requirements of paragraph 17 of IAS 24 'Related Party Disclosures' (key management compensation).
- The requirements of paragraph 18A of IAS 24 'Related Party Disclosures' (amounts incurred for the provision of key management personnel services).
- The requirements of IAS 24 'Related Party Disclosures' to disclose related party transactions entered into between two or more members of a group where both parties to the transaction are wholly owned within the group.
- The requirements of paragraphs 130(f)(ii), 130(f)(iii), 134(d) to 134(f) and 135I to 135I of IAS 36

The remaining exemptions available under the Framework are not applicable to the company at this time.

### **2 Principal accounting policies (continued)**

#### **2.2 New standards, amendments and interpretations to existing standards**

There are no amendments to accounting standards, or IFRIC interpretations that are effective for the period ended 31 December 2024 that have a material impact on the company's financial statements. The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

#### **2.3 Investments**

##### *Investments in subsidiary undertakings*

Investments in subsidiary undertakings are shown at cost less provision for any impairment in value.

#### **2.4 Impairment**

##### *Financial assets*

A financial asset not carried at fair value through profit or loss is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. For financial instruments measured at cost less impairment an impairment is calculated as the difference between its carrying amount and the best estimate of the amount that the entity would receive for the asset if it were to be sold at the reporting date. Interest on the impaired asset continues to be recognised through the unwinding of the discount. Impairment losses are recognised in profit or loss. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through profit or loss.

#### **2.5 Basic financial instruments**

##### *Trade and other debtors*

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses in the case of trade debtors. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate of instrument for a similar debt instrument.

### **2 Principal accounting policies (continued)**

#### **2.6 Taxation**

Under taxation legislation in Ireland (being where the Partnership is established), the Partnership does not constitute a separate taxable entity and accordingly, no provision for taxation has been made in the Partnership's financial statements. Net income and capital gains arising from the partnership's investments are subject to taxation as the income and capital gains of the individual partners in accordance with their entitlement to participate in the net income and capital gains of the Partnership.

Tax on the profit or loss for the period/year comprises current and deferred tax. Tax is recognised in the Profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the period/year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. The following timing differences are not provided for: differences between accumulated depreciation and tax allowances for the cost of a fixed asset if and when all conditions for retaining the tax allowances have been met; and differences relating to investments in subsidiaries, associates, branch, joint ventures to the extent that it is not probable that they will reverse in the foreseeable future and the reporting entity is able to control the reversal of the timing difference. Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date. For non-depreciable assets that are measured using the revaluation model, or investment property that is measured at fair value, deferred tax is provided at the rates and allowances applicable to the sale of the asset/property, except when the investment property has a limited useful life and the objective of the Company's business model is to consume substantially all of the value through use. In the latter case the tax rate that is expected to apply to the reversal of the related difference is used. Deferred tax balances are not discounted.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

#### **2.7 Going concern**

The company is a holding company. The balance sheet as at 31 December 2024 shows that the company is in a net current liabilities position of €4 and net assets position of €1,020. The company is dependent on the partnership (International N&H Mfg. Ireland) to provide financial support to enable it to pay its liabilities as they fall due. The company is a partner in this entity; it has net assets and cash flows and it can sustain such support through dividend payments. The director has received confirmation that the partnership will support the company for a period of not less than one year from the date of signing these financial statements and the director is satisfied the partnership has the ability to do so.

The company meets its day-to-day working capital requirements through intercompany financing, as required. The company's forecasts and projections, taking account of reasonably possible changes in trading performance, show that the company should be able to operate within the level of its resources.

The director, after making enquiries, have a reasonable expectation that the company has adequate resources to continue operating for the foreseeable future. For this reason, the going concern basis continues to be adopted in preparing the financial statements.

### **3 Critical accounting estimates and judgements**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### **3.1 Critical accounting estimates and assumptions**

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

#### **3.2 Critical judgements in applying the entity's accounting policies**

There are no critical judgements in applying the entity's accounting policies.

### 4 Statutory and other information

The Company had no employees during the period.

The Director did not receive any remuneration for their services during the period under review.

The remuneration of the director paid by International N&H Mfg. Ireland (the Partnership - see note 6), which makes no recharge to the company. The director of the company is also director of a number of fellow subsidiaries, and it is not possible to make an accurate apportionment of this remuneration in respect of each of the subsidiaries. Accordingly, the above details include no remuneration in respect of the director. Their total remuneration is included in the aggregate of director's remuneration disclosed in the financial statements of the Partnership.

### 5 Tax on result (continued)

Tax primarily relates to tax arising in Ireland in respect of International N&H Mfg. Ireland (the "Partnership"), a partnership established in Ireland, of which the company is a partner. Under taxation legislation in Ireland, the Partnership does not constitute a separate taxable entity and accordingly, no provision for taxation has been made in the Partnership's financial statements. Net income and capital gains arising from the partnership's investments are subject to taxation as the income and capital gains of the individual partners in accordance with their entitlement to participate in the net income and capital gains of the Partnership.

In Ireland, the Pillar Two legislation to implement both a domestic and multinational top-up tax was substantively enacted on 18 December 2023. IFF Group, as a large Multinational Enterprise ("MNE") with revenue in excess of €750 million per its consolidated financial statements, falls into the scope of the Pillar Two legislation with effect from 1 January 2024. The group has performed an initial assessment of potential exposure to Pillar Two income taxes with respect to Ireland. Based on this assessment the company does not expect the enactment of the Pillar Two domestic legislation to have a significant impact on its financial statements.
