In our opinion:

- the financial statements give a true and fair view of the assets, liabilities and financial position of the Company as at 31 March 2025 and of its result for the year then ended;
- the financial statements have been properly prepared in accordance with FRS 101 *Reduced Disclosure Framework*; and
- the financial statements have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The directors are responsible for the other information presented in the Annual Report together with the financial statements. The other information comprises the information included in the directors' report. The financial statements and our auditor's report thereon do not comprise part of the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except as explicitly stated below, any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work we have not identified material misstatements in the other information.

Based solely on our work on the other information undertaken during the course of the audit, we report that:

- we have not identified material misstatements in the directors' report;
- in our opinion, the information given in the directors' report is consistent with the financial statements; and

Matters on which we are required to report by exception

The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by Sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

Respective responsibilities and restrictions on use

Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement set out on pages 3 and 4 the directors are responsible for: the preparation of the financial statements including being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Independent Auditor's Report to the Members of S. & L. INVESTMENTS LIMITED
(continued)

Respective responsibilities and restrictions on use (continued)

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A fuller description of our responsibilities is provided on IAASA's website at <https://iaasa.ie/publications/description-of-the-auditors-responsibilities-for-the-audit-of-the-financial-statements/>.

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the Company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

1. ACCOUNTING POLICIES

Reporting Entity

S. & L. Investments Limited (the "Company") is a private company incorporated, domiciled and registered in Ireland. The address of its registered office is DCC House, Leopardstown Road, Foxrock, Dublin 18. The registered number of the Company is 28688.

Statement of Compliance

These financial statements were prepared in accordance with Financial Reporting Standard 101 *Reduced Disclosure Framework* ("FRS 101"). There have been no material departures from the standards.

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes amendments where necessary in order to comply with the Companies Act 2014 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

The Company's ultimate parent undertaking, DCC plc, includes the Company in its consolidated financial statements. The consolidated financial statements of DCC plc are prepared in accordance with International Financial Reporting Standards. These are available to the public and may be obtained from DCC House, Leopardstown Road, Foxrock, Dublin 18, Ireland.

In these financial statements, the Company has applied the exemptions available under FRS 101 in respect of the following disclosures:

S. & L. INVESTMENTS LIMITED**NOTES TO THE FINANCIAL STATEMENTS - YEAR ENDED 31 MARCH 2025 - continued****1. ACCOUNTING POLICIES (continued)****Statement of Compliance (continued)**

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

Accounting judgements and estimates

The preparation of the financial statements in conformity with FRS 101 requires management to make judgements, estimates and assumptions that effect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

The key judgements, estimates and assumptions made in the preparation of these accounts are the recoverability of the investments in subsidiaries which have been discussed further in the relevant sections below.

1.1 Measurement convention

The financial statements are prepared on the historical cost basis except that the following assets and liabilities are stated at their fair value: share-based payments, post employment benefit obligations and certain financial assets and liabilities including derivative financial instruments.

1.2 Going concern

Notwithstanding the fact that the Company is in a net current liabilities position, on the basis of their assessment of the Company's financial position and of any enquiries made of the directors of the parent company, the Company's Directors have a reasonable expectation that the Company will be able to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Presentation of the financial statements

The financial statements are presented in Euro, denoted by the symbol €. This currency represents the primary economic environment in which the company operates. Certain comparative figures may have been reclassified in order to present information on a basis consistent with the current year.

1.4 Foreign currency transactions

Assets and liabilities denominated in foreign currencies are translated into Euro at the exchange rates ruling at the balance sheet date or at contracted rates where appropriate.

Profits and losses arising on transactions in foreign currencies during the year are included in the profit and loss account at the exchange rate ruling at the date of the transactions.

1.5 Financial assets

Financial assets are stated at cost less provision for any permanent diminution in value.

1.6 Impairment of financial assets

Financial assets not carried at fair value through the profit and loss account are assessed to determine whether there is objective evidence of impairment. For financial assets measured at cost less impairment, impairment is calculated as the difference between the recoverable amount of the investment and its carrying amount. Impairment losses are recognised through the profit and loss account. Where subsequent events cause the amount of the impairment loss to decrease, the decrease is reversed through the profit and loss account.

S. & L. INVESTMENTS LIMITED**NOTES TO THE FINANCIAL STATEMENTS - YEAR ENDED 31 MARCH 2025 - continued****1. ACCOUNTING POLICIES (continued)****1.7 Financial instruments****(i) Recognition and initial measurement**

Trade debtors are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset (unless it is a trade debtor without a significant financing component) or financial liability is initially measured at fair value plus, for an item not at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue. A trade debtor without a significant financing component is initially measured at the transaction price.

(ii) Classification and subsequent measurement

On initial recognition, a financial asset is classified as measured at: amortised cost; fair value through other comprehensive income (FVOCI) - debt investment; FVOCI – equity investment; or FVTPL.

Financial assets at amortised cost are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

(iii) Financial liabilities and equity

Financial liabilities are classified as measured at amortised cost or FVTPL. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. A financial liability is classified as at FVTPL if it is classified as held-for-trading, it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

1.8 Cash and cash equivalents

Cash and cash equivalents comprise cash and short-term deposits. Bank overdrafts are classified as borrowings except where repayable on demand and or where they form an integral part of the Company's cash management strategy.

1.9 Income and expenses***Dividend Income***

Dividend income is recognised in the profit and loss account on the date at which the Company's right to receive payment is established and it is probable that economic benefits will flow to the Company and the amount of revenue can be reliably measured.

Interest Income/ Expense

Interest income/(expense) is recognised using the effective interest rate method. In calculating interest income/(expense), the effective interest rate is applied to the gross carrying amount of the asset.

1.10 Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates and laws enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The following temporary differences are not provided for: the initial recognition of goodwill; the initial recognition of assets or liabilities that affect neither accounting nor taxable profit other than in a business combination, and differences relating to investments in subsidiaries to the extent that they will probably not reverse in the foreseeable future. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates and laws enacted or substantively enacted at the balance sheet date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

S. & L. INVESTMENTS LIMITED**NOTES TO THE FINANCIAL STATEMENTS - YEAR ENDED 31 MARCH 2025 - continued****2. STATUTORY INFORMATION**

The Company has no employees. The remuneration of the Company's auditor is dealt with in the financial statements of DCC plc, the ultimate parent company.

Director's remuneration has been paid by the ultimate parent company and the Company has been discharged from the responsibility of the payment of director's remuneration.
