Director's responsibilities statement

These abridged financial statements have been extracted, pursuant to section 353 of the Companies Act 2014, from the statutory financial statements prepared under section 290 of that Act. The following is the Director's Responsibilities Statement accompanying those financial statements.

Company law requires the director to prepare financial statements for each financial year. Under that law, he has elected to prepare the financial statements in accordance with FRS 105 The Financial Reporting Standard applicable to the Micro-entities Regime (FRS 105).

Thereby, the financial statements are presumed, in law, to give a true and fair view without any consideration of any other circumstances, factors, accounting principles or disclosures.

The director is responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the assets, liabilities, financial position and profit or loss of the company and enable him to ensure that the financial statements comply with the Companies Act 2014. He has general responsibility for taking such steps as are reasonably open to him to safeguard the assets of the company and to prevent and detect fraud and other irregularities.
