## 1. Accounting Policies

### Basis of Preparation

The financial statements have been prepared on the going concern basis and in accordance with generally accepted accounting principles in Ireland and Irish statute comprising the Companies Act, 2014. The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

### Cash flow statement

### Stocks

Stocks are valued at the lower of cost and net realisable value. Cost comprises expenditure incurred in the normal course of business in bringing stocks to their present location and condition. Full provision is made for obsolete and slow moving items. Net realisable value comprises actual or estimated selling price (net of trade discounts) less all further costs to completion or to be incurred in marketing and selling.
