**STATEMENT OF DIRECTORS' RESPONSIBILITIES FOR THE SHAREHOLDERS'  
FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30TH SEPTEMBER 2025**

---

**General Responsibilities**

Irish Company law requires the directors to prepare financial statements for each financial year giving a true and fair view of the state of affairs of the company. Under the law the directors have elected to prepare financial statements in accordance with Generally Accepted Accounting Practice in Ireland, including the Financial Reporting Standard 105 "The Financial Reporting Standard applicable in the Republic of Ireland" and Irish Law.

Under company law the directors shall not approve financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position, as at the end of the financial year, and profit or loss for the financial year and otherwise comply with the act.

As per the Companies Act 2014 Section 324(6) every director of the company who is party to the approval of financial statements and who knows that they do not give such a view or otherwise so comply or is reckless as to whether that is so shall be guilty of a category 2 offence.

In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards and note the effect and the reasons for any material departure from those standards;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for the accuracy and completeness of the records, documents, explanations and other information provided by management for the compilation engagement. The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy and enable them to ensure that the financial statements and directors report comply with the Companies Act 2014. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website. Legislation in the Republic of Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The engagement to compile the financial statements cannot be regarded as providing assurance on the adequacy of the company's systems or on the incidence of fraud, non-compliance with laws and regulations or weaknesses in internal control. Engaging external accountants to compile financial statements does not relieve the directors of their responsibilities in this respect.

**Directors declaration on unaudited financial statements**

In relation to the financial statements set out on pages 5 to 12.

- The director approves these financial statements and confirm that he is responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.

- The director confirms that he has made available to Noel Delaney & Co., Chartered Accountants , the company's accounting records and provided all the information necessary for the compilation of the financial statements.

- The director confirms that to the best of his knowledge and belief, the accounting records reflect all the transactions of the company for the period ended 30th September 2025.

**ACCOUNTANTS' REPORT ON THE UNAUDITED FINANCIAL  
STATEMENTS TO THE DIRECTOR OF  
LIR STEELWORKS LIMITED**

---

We have compiled the financial statements set out on pages 5 to 12 of Lir Steelworks Limited for the period ended 30th September 2025. These financial statements comprise the balance sheet of the company as at 30th September 2025, statement of changes in equity and a summary of significant accounting policies and other explanatory information.

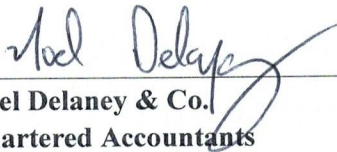

**Respective Responsibilities of Directors and Accountants**

As stated on pages 2 and 3 the company's directors are responsible for the financial statements. It is our responsibility to compile the financial statements of Lir Steelworks Limited from the accounting records, information and explanations supplied to us by the directors.

**Scope of Work**

We compiled the financial statements in accordance with the guidance contained in Compilation Engagements - Technical Statement and the International Standard on Related Services 4410 (Revised) and from the accounting records, information and explanations supplied to us by the directors. We have applied our knowledge in accounting and financial reporting to assist you in the preparation and presentation of these financial statements in accordance with Financial Reporting Standard 105 ("FRS 105") and Irish statute comprising the Companies Act 2014. Financial Reporting Standard 105 is the applicable standard in the Republic of Ireland. We have complied with relevant ethical requirements, including principles of integrity, objectivity, professional competence and due care.

Since a compilation engagement is not an assurance engagement, we have not audited or otherwise attempted to verify the accuracy or completeness of such records, information, explanations and accordingly express no opinion on the financial statements.

**NOTES TO THE ABRIDGED FINANCIAL STATEMENTS  
FOR THE PERIOD ENDED 30TH SEPTEMBER 2025**

---

**1. Accounting Policies**

Lir Steelworks Limited is a private company limited by shares and incorporated in Ireland. Its registered office is Gartlandstown, Castlepollard, Co. Westmeath.

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements.

**1.1. Basis of Preparation**

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention. The financial reporting framework that has been applied to their preparation is the Companies Act 2014 and FRS 105 (the Financial Reporting Standard applicable to the Micro-entities Regime issued by the Financial Reporting Council). The company qualifies as a micro company for the period, as defined by section 280D of the Companies Act 2014, in respect of the financial year and has applied the rules of the 'micro companies regime' in accordance with section 280E of the Companies Act 2014 and FRS105.

**Functional Currency**

The functional currency of the financial statements is the euro (€) and all amounts have being rounded to the nearest Euro.

**1.2. Turnover and Revenue Recognition**

Turnover is stated net of trade discounts, volume rebates, VAT and similar taxes and derives from the provision of goods and services falling within the company's ordinary activities. Turnover on sale of goods is recognised when the company has transferred the significant risks and rewards of ownership in the goods, which usually takes place when the goods are physically delivered to the buyer. Turnover on supply of services is recognised by reference to the state of completion of the service at the end of the financial period. The stage of completion is determined primarily on the basis of time costs applied to individual service assignments. Deposits received from customers in advance of completion of sales of goods or in advance of the stage of completion of services at the end of the financial year are not recognised as income and are included in creditors.

**LIR STEELWORKS LIMITED****NOTES TO THE ABRIDGED FINANCIAL STATEMENTS  
FOR THE PERIOD ENDED 30TH SEPTEMBER 2025****1.3. Tangible fixed assets and depreciation**

All tangible fixed assets are initially recorded at historic cost. This includes legal fees, stamp duty and other non-refundable purchase taxes, and also any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management, which can include the costs of site preparation, initial delivery and handling, installation and assembly, and testing of functionality.

Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Plant and Machinery	-	12.5% Straight Line
Motor Vehicles	-	20% Reducing Balance

Where factors indicate that the residual values or useful lives of tangible assets may have changed, a review will be carried out of residual value, depreciation methods and useful lives, and these will be amended if necessary. Changes in depreciation rates arising from this review are accounted for prospectively over the remaining useful lives of the assets.

**1.4. Leasing and hire purchase commitments**

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce constant periodic rates of charge on the net obligations outstanding in each period.

**1.5. Stock and work in progress**

Stocks are stated at the lower of cost and net realisable value using the first in first out method. In the case of finished goods and work in progress, cost is defined as the aggregate cost of raw materials, direct labour and the attributable proportion of direct production overheads based on a normal level of capacity. Net realisable value is based on the normal selling price, less further costs expected to be incurred to completion and disposal.

At the end of each reporting period, stocks and work in progress are assessed for impairment. If an item (or group of items) is impaired, an impairment loss is recognised.

**LIR STEELWORKS LIMITED****NOTES TO THE ABRIDGED FINANCIAL STATEMENTS  
FOR THE PERIOD ENDED 30TH SEPTEMBER 2025****1.6. Taxation**

Tax is recognised in the Profit and Loss Account, except where it relates to an item recognised in other comprehensive income or equity in which case the related tax is recognised directly in other comprehensive income or equity.

The current tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the Company operates and generates income.

Deferred taxation is calculated on the differences between the company's taxable profits and the results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

**1.7. Government grants**

Grants are credited to deferred revenue. Grants towards capital expenditure are released to the profit and loss account over the expected useful life of the assets. Grants towards revenue expenditure are released to the profit and loss account as the related expenditure is incurred.
