DIRECTORS' REPORT

for the financial year ended 28 February 2025

The directors present their report and the unaudited financial statements for the financial year ended 28 February 2025.

Principal Activity and Review of the Business

The principal activity of the company continued to be that of a management company for the Fairways Centre development on the Dublin Road, Dundalk, Co. Louth.

The Company is limited by guarantee not having a share capital.

There has been no significant change in these activities during the financial year ended 28 February 2025.

Financial Results

The deficit for the financial year amounted to €(4,733) (2024 - €(1,091)).

At the end of the financial year, the company has assets of €10,003 (2024 - €10,872) and liabilities of €8,352 (2024 - €4,488). The net assets of the company have decreased by €(4,733).

Directors and Secretary

The directors who served throughout the financial year were as follows:

Bridget Williams
Siobhan Garavaglia

The secretary who served throughout the financial year was Bridget Williams.

The company is limited by guarantee and does not have any share capital. Therefore the directors and secretary who served during the year did not have a beneficial interest in the company.

In accordance with the Constitution, at every annual general meeting 1/3 of the directors will automatically be retired. Such retired directors may be immediately re-appointed to new terms.

Future Developments

There are not expected to be any changes in the activities of the company in the coming period. Fairways Centre Management CLG, through the managing agent DPS Property Management, maintains the development to a high standard and will continue to do so in the coming period.

Post Balance Sheet Events

There have been no significant events affecting the company since the financial year-end, that affect these financial statements and in the opinion of the directors, the state of the company's affairs is satisfactory and there has been no material change since the balance sheet date.

Annual Service Charge

The annual service charge for year to February 2025 was €46,525.

Building Investment Works

There is no anticipated building investment works other than the ongoing maintenance work.

Insurance

The company has insurance cover in respect of the development for the year covering building insurance, employer's liability and public liability. The directors are of the opinion that adequate insurance exists.

Transfers to Reserves or Sinking Fund

In accordance with Section 19 of the Multi - Unit Development Act 2011, the company must establish a sinking fund to fund non-routine maintenance and other non-routine costs that may arise from time to time. The Sinking Fund is not guaranteed to cover all unexpected costs of a non-recurring nature. These funds are held in a separate designated bank account and are allocated to a special reserve titled "sinking fund reserve". Sinking fund contributions are recognized as income in the Income and Expenditure account in the period in which large, non-regular repair and maintenance work is undertaken. The company has not set up a separate designated bank account.

DIRECTORS' REPORT

for the financial year ended 28 February 2025

Principal Risks and Uncertainties

The principal risks and uncertainties facing the company relate to the wider state of the Irish economy. Taxation increases, the introduction of rent pressure zones and other property-related charges have limited the level of income of many owners and made it more difficult for some owners to pay all service charges in full and on time. Under the mandate of members, the directors are committed to enforcing the policy of collecting all legally enforceable debts to ensure that the company can continue to provide its services and safeguard the common areas for the benefit of all residents and owners.

The company operates solely in the Republic of Ireland, therefore, it is not subject to currency risks. The company does not rely on borrowings and has little exposure to interest rate risk. The company's policy is to ensure that sufficient resources are available from cash balances, cash flows and the sinking fund to ensure all current and capital expenditure obligations can be met when they fall due. As the development gets older, it is important that the property owners put aside sufficient funds to build a Sinking Fund adequate to requirements and this matter is discussed each year at the Annual General Meeting. This issue will become more important for the development in the years ahead and it will be important that property owners support the building of a good Sinking Fund so that the Company can replace assets that require replacement in a timely manner and also that it can undertake other required investment projects. (This is in line with the recommendations of the SCSi report: 'Sinking Funds in Apartments - Meeting the Challenge'). The company does not foresee any immediate capital funding requirement but should one arise the directors are satisfied that relevant systems are in place to respond accordingly either through the company's insurance policy, the sinking fund or by calling a meeting of the members in relation to any further funding requirements.

Other

Paragraph 5 (1) of the Multi Unit Development Act 2011 states that ownership of the common areas must be transferred to the owner managed company within 6 months of the Act coming in to operation (by 30th September 2011). As this requirement has not been met, the company technically is in breach of the Multi Unit Development Act 2011, despite the obligation being on the developer to transfer the title. The company has made every reasonable effort within its powers to enforce the transfer, this however has still not been achieved.

Accounting Records

To ensure that adequate accounting records are kept in accordance with sections 281 to 285 of the Companies Act 2014, the directors have employed appropriately qualified accounting personnel and have maintained appropriate computerised accounting systems. The accounting records are located at the company's office at DPS Property and Facilities Management, 66 Clanbrassil Street, Dundalk, Co. Louth.

DIRECTORS' RESPONSIBILITIES STATEMENT

for the financial year ended 28 February 2025

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 28 February 2025

1. General Information

Fairways Centre Management Company Limited By Guarantee is a company limited by guarantee incorporated and registered in Ireland. The registered number of the company is 614194. The registered office of the company is DPS Property and Facilities Management, 66 Clanbrassil Street, Dundalk, Co. Louth. The nature of the company's operations and its principal activities are set out in the Directors' Report. The financial statements have been presented in Euro (€) which is also the functional currency of the company.

2. Summary of Significant Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Statement of compliance

The financial statements of the company for the financial year ended 28 February 2025 have been prepared on the going concern basis and in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (FRS 102).

Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention. Historical cost is generally based on the fair value of the consideration given in exchange for assets. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council.

The company qualifies as a small company as defined by section 280A of the Companies Act 2014 in respect of the financial year, and has applied the rules of the 'Small Companies Regime' in accordance with section 280C of the Companies Act 2014.

Income

Income represents the total service charge receivable for the year, from the residents of Fairways Centre, Dundalk, Co. Louth. The development consists of 7 commercial units. Service charges are billed in accordance with the terms of head lease agreement and as agreed in accordance with section 18 Multi-Unit Development Act 2011. Service charge revenue is recognised when it is probable that the economic benefits associated with the transaction will flow to the company. The directors deem that all debts are fully collectable and therefore there is no provision in the company for bad or doubtful debt included in the financial statements.

Trade and other debtors

Trade and other debtors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method less impairment losses for bad and doubtful debts except where the effect of discounting would be immaterial. In such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

Borrowing costs

Borrowing costs relating to the acquisition of assets are capitalised at the appropriate rate by adding them to the cost of assets being acquired. Investment income earned on the temporary investment of specific borrowings pending their expenditure on the assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

Trade and other creditors

Trade and other creditors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

Taxation

The Company has obtained exemption from the Revenue Commissioners in respect to Corporation tax, it being a company not carrying on a business for the purposes of making a profit.

Fairways Centre Management Company Limited By Guarantee

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 28 February 2025

Sinking Fund Contributions

In accordance with Section 19 of the Multi - Unit Developments Act 2011, the company must establish a sinking fund to fund non-routine maintenance and other non-routine costs that may arise from time to time. The Sinking Fund is not guaranteed to cover all unexpected costs of a non-recurring nature. These funds are held in a separate designated bank account and are allocated to a special reserve titled "sinking fund reserve". Sinking fund contributions are recognized as income in the Income and Expenditure account in the period in which large, non-regular repair and maintenance work is undertaken. This company has not yet set up a separate sinking fund account.

3. Significant accounting judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make estimates, judgements and assumptions when applying accounting policies. These affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The estimates and underlying assumptions are reviewed on an on-going basis.

The estimates and assumptions that have a significant risk of causing material adjustment to the carrying amount of assets and liabilities within the next financial year are addressed below.

a) Provisions & accruals

Provisions by their nature are liabilities with an uncertain timing or amount. These provisions require management's best estimate in relation to the future cash outflows likely to arise in connection with obligations existing at the reporting date.

b) Impairment of service charges in arrears.

The obligation to pay service charges is one of which owner is legally bound under the term of their lease agreement with the Owners Management Company (OMC). Any arrears of service charges for the property are linked to property and these are not written off or provided against when collectability is assured. Arrears may build up on for a specified property for specified period, but it is expected that these are recoverable in the long term on an eventual sale/transfer of the property.

4. Departure from Companies Act 2014 Presentation

The directors have elected to present an Income and Expenditure Account instead of a Profit and Loss Account in these financial statements as this company is a not-for-profit entity.

5. Debtors	2025	2024
	€	€
Trade debtors	5,961	7,129
Taxation	2,453	788
Prepayments	1,589	1,526
	<u>10,003</u>	<u>9,443</u>

Debtors are made up of unpaid service charges. The company is entitled to receive service charges from the 7 units. The aggregate of service charges billed for the year ended 28 February 2025 was €46,525. The aggregate of service charges outstanding at the year end was €5,961. The aggregate of trade debtors due within 1 year is €5,961.
