### **Statement of director responsibilities and declaration on unaudited financial statements**

#### **General responsibilities**

The director is responsible for preparing the Annual Report and the financial statements in accordance with applicable Irish law and generally accepted accounting practice in Ireland including the accounting standards issued by the Financial Reporting Council and published by the Institute of Chartered Accountants in Ireland.

Irish Company law requires the director to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently

The director is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable him to ensure that the financial statements are prepared in accordance with accounting standards generally accepted in Ireland and with Irish statute comprising the Companies Act 2014. They are also responsible for safeguarding the assets of the company and hence, for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Director's declaration on unaudited financial statements**

In relation to the financial statements as set out on pages 4 to 7 :

- The director approves these financial statements and confirms that he is responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.
- The director confirms that he has made available to Mary O'Sullivan & Co, all the company's accounting records and provided all the information, books or documents necessary for the compilation of the financial statements.
- The director confirms that to the best of his knowledge and belief, the accounting records reflect all the transactions of the company for the year ended 31st December 2025.
