### **DIRECTORS RESPONSIBILITIES STATEMENT**

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable Irish Law and Generally Accepted Accounting Practice in Ireland, including the accounting standards issued by the Financial Reporting Council.

#### **GENERAL RESPONSIBILITIES**

Company law requires the directors to prepare financial statements for each financial period which give a true and fair view of the assets, liabilities and financial position of the company, as at the end of the financial year, and profit or Loss, for the financial year and otherwise comply with the Companies Act 2014. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- State Whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards and note the effect and the reason for any material departure from those standards.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities financial position and profit and loss of the company to be determined with reasonable accuracy and enable them to ensure that the financial statements and directors report comply with the Companies Act 2014. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **DIRECTORS' DECLARATION ON UNAUDITED FINANCIAL STATEMENTS**

In relation to the financial statements as set out on pages 3 to 6 :

- The directors approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.
- The directors confirm that they have been made available to Nestor & Co., all the company's accounting records and provided all the information necessary for all the compilation of the financial statements.
- The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the year ended 31st May 2025

## NOTES TO THE ABRIDGED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2025

### 1. ACCOUNTING POLICIES

The significant accounting policies adopted by the company in the preparation of these financial statements are as follows:

#### 1.1. BASIS OF ACCOUNTING

The financial statements are prepared under the historical cost convention, and comply with the standards issued by the Financial Reporting Council, specifically Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland " (FRS 102).

The financial statements are prepared in Euro which is the functional currency of the company.

#### 1.2. CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand and at bank together with demand deposits. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.3. TURNOVER & EXPENSES

Turnover represents income from activities during the year. Turnover and expenses are included in the financial statements as they become due or receivable.

#### 1.4. TAXATION

The charge for taxation is based on profit for the year and is calculated with reference to the tax rates applying at the at the balance sheet date.

Current tax is provided at amounts expected to be paid or recovered using the tax rates and laws that have been enacted or substantially enacted by the balance sheet date.

Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Provision is made at the rates expected to apply when the timing differences reverse. Timing differences are differences between taxable profits and the results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those, which there are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all the available evidence, it can be regarded as more likely than not that there will be suitable tax profits from which the future reversal of the underlying timing differences can be deducted.

#### 1.5. TANGIBLE FIXED ASSETS AND

Tangible Fixed Assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Land and buildings	-	2% Straight Line
Plant and machinery	-	12.5% Reducing Balance

Impairment reviews are carried out where there are events or changes in circumstances that indicate that the carrying amount of the fixed assets may not be recoverable. Where there is an impairment loss, it is recognised in the profit and loss account (there is no policy of revaluing fixed assets).
