TALENT VENTURES LIMITED

Notes to the Abridged Financial Statements for the year ended 31 May 2025

1 GENERAL INFORMATION

TALENT VENTURES LIMITED is a private company limited by shares and incorporated in Ireland. The registered office and place of business is at 1 Barnwell Grove, Hansfield, Dublin 15. The nature of the company's operations and its principal activities are set out in the Directors' Report. The financial statements have been presented in Euro (€) which is the functional currency of the company.

2 ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention.

Statement of compliance

The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 105 "The Financial Reporting Standard applicable to the Micro-Entities Regime" issued by the Financial Reporting Council. The company qualifies as a micro company for the period, as defined by Section 280D of Companies Act 2014 in respect of the financial period and has applied the rules of the 'Micro Companies Regime' in accordance with Section 280E of Companies Act 2014 and FRS105.

Turnover

Turnover comprises the invoice value of services supplied by the company during the period, exclusive of trade discounts and VAT.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible fixed assets, less their restimated residual value, over their expected useful lives as follows:

Office Equipment	-	12.5% Straight Line
------------------	---	---------------------

The carrying values of tangible fixed assets are reviewed annually for impairment in periods if events or changes in circumstances indicate the carrying values may not be recoverable.

Taxation

Current tax represents the amount expected to be paid or recovered in respect of taxable profits for the period and is calculated using the tax rates and laws that have been enacted or substantially enacted at the balance sheet date.

Share capital of the company

Ordinary share capital

The ordinary share capital of the company is presented as equity.
