They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Director's declaration on unaudited financial statements**

In relation to the financial statements comprising the Profit and Loss Account, the Balance Sheet, the Accounting Policies and the related notes:

The directors approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.

The directors confirm that they have made available all of the company's books of account and provided all of the information, books and documents necessary for the compilation of the financial statements.
