Statement of director's responsibilities and declaration on unaudited financial Statements

### General responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable Irish Law generally accepted accounting practice in Ireland including the accounting standards issued by the Financial Reporting Council.

Irish Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimated that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements are prepared in accordance with accounting standards generally accepted in Ireland and with Irish statue comprising the Companies Act 2014. They are also responsible for safeguarding the assets of the company and hence, for reasonable steps for the prevention and detection of fraud and other irregularities.

Directors' declaration on unaudited financial statements

In relation to the financial statements as set out on pages 4 to 8:

The directors approve these financial statements and confirm that they are responsible for them, Including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business

The directors confirm that they have made available to John K Chambers & Co all the company's accounting records and provided all the information, books or documents necessary for the compilation of the financial statements.

The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the period ended 31<sup>st</sup> August 2025

#### **1 Statements of accounting Policies**

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

##### **1.1 Basis of preparation**

The unaudited accounts have been prepared in accordance with accounting standards generally accepted in Ireland and the Companies Act 2014. Accounting Standards generally accepted in Ireland in preparing financial statements giving a true fair view are those issued by the Financial Reporting Council

##### **1.2 Turnover Policy**

Turnover represents the total invoice value, excluding value added tax, of sales made during the year

##### **1.3 Tangible assets and depreciation**

Tangible assets are stated at cost less accumulated depreciation and accumulated impairment loss. Cost includes all costs that are directly attributable to bringing the asset into working condition for its intended use.

##### Depreciation

Depreciation is provided on all tangible assets. At rates calculated to write off the cost less estimated residual value, of each asset systematically over its expected useful life, and as follows:

##### Fixtures and Fittings

And equipment      12.5%    Straight Line

Impairment reviews are carried out where there are events or changes in circumstances that indicate that the carrying amount of the fixed asset or goodwill may not be recoverable. Where there is an impairment loss it is recognised in the profit and loss account.

##### **1.4 Stock and work in progress**

In the case of finished goods and work in progress, cost is defined as the aggregate cost of raw material, direct labour and attributable proportion of direct production overheads based on a normal level activity.

Net realisable value is based on normal selling price, less further costs expected to be incurred to completion and all costs to be incurred in marketing, selling and distributing
