NOTES TO THE ABRIDGED FINANCIAL STATEMENTS

for the financial year ended 30 April 2025

1. General Information

MG Carpentry & Building Services Limited is a company limited by shares incorporated in Ireland. The registered office of the company is Clonbony, Miltown Malbay, Co. Clare which is also the principal place of business of the company. The financial statements have been presented in Euro (€) which is also the functional currency of the company.

2. Summary of Significant Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company financial statements.

Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 105 "The Financial Reporting Standard applicable to the Micro-Entities Regime" issued by the Financial Reporting Council.

The company qualifies as a micro company as defined by section 280D of the Companies Act 2014 in respect of the financial year, and has applied the rules of the 'Micro Companies Regime' in accordance with section 280E of the Companies Act 2014 and FRS 105.

Turnover

Turnover comprises the invoice value of services supplied by the company, exclusive of trade discounts and value added tax.

Tangible assets and depreciation

Tangible assets are stated at cost or at valuation less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible assets less their estimated residual value over their expected useful lives as follows:

Fixtures, fittings and equipment	- 12.5% straight line
Motor vehicles	- 15% straight line

The carrying values of tangible fixed assets are reviewed annually for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Work in progress

In accordance with UITF 40, work in progress is reflected in the accounts at the expected revenue due for work carried out during the period that has not yet been invoiced.

Trade and other debtors

Trade and other debtors are initially recognised at transaction price (including transaction costs) less impairment losses for bad and doubtful debts.

Cash at bank and in hand

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the Balance Sheet bank overdrafts are shown within Creditors.

Borrowing costs

Borrowing costs are recognised in profit or loss in the period in which they are incurred.

Trade and other creditors

Trade and other creditors are initially recognised at transaction price (including transaction costs).

Taxation

Current tax represents the amount expected to be paid or recovered in respect of taxable profits for the financial year and is calculated using the tax rates and laws that have been enacted or substantially enacted at the Balance Sheet date.

Ordinary share capital

The ordinary share capital of the company is presented as equity.
