# **ATHY COMMUNITY COUNCIL COMPANY LIMITED BY GUARANTEE A COMPANY LIMITED BY GUARANTEE AND NOT HAVING SHARE CAPITAL DIRECTORS' REPORT**

***FOR THE YEAR ENDED 31 MARCH 2025***

---

The directors present their annual report and financial statements for the year ended 31 March 2025.

## **Principal activities**

The organisation is a charitable company limited by guarantee. The company does not have a share capital and consequently the liability of members is limited, subject to an undertaking by each member to contribute to the net assets or liabilities of the company on winding up such amounts as may be required not exceeding one Euro (€1).

The charity was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Constitution and managed by a Board of Directors. The charity has been granted charitable tax status under Section 207 and 208 of the Taxes Consolidation Act 1997, Charity No CHY 10786 and is registered with the Charities Regulatory Authority.

The charity's objects and principal activities are to provide and promote the development, co-ordination and integration of community services and facilities in Athy and surrounding district.

## **Principal risks and uncertainties**

The company activities are primarily funded in the form of grant aid from government agencies. The core funding of the company is received from the Department of Employment Affairs and Social Protection undertaking Community Employment and Jobs initiative Projects and Kildare County Council. The company has approved the operation of its projects and has received all grant agreements for the forthcoming period, thereby, reducing the operational risks and uncertainties facing the company.

The company operates solely in the Republic of Ireland, therefore it is not subject to currency risks. The company does not rely on borrowings and has no exposure to interest rate risks. The company is in a liquid position and does not foresee any cash flow risk in the near future. The directors are monitoring the cash flow of the company to ensure that costs are maintained at a reasonable level to operate and achieve the aims and objectives of the company to continue to provide support and development within the community.

The directors are aware of the major risk to which the company is exposed, in particular those related to the operations and finances of the company and are satisfied that systems are in place to mitigate exposure to major risks.

## **Results**

The results for the year are set out on page 7.

## **Directors**

The directors who held office during the year and up to the date of signature of the financial statements were as follows:

Frank Taaffe

Tom Yates

Neil Perry

Brian Dooley

Aoife Breslin

Eugene Doyle

(Retired 17 February 2025)

William Lawlor

Anthony Campbell

Gerard Kelly

Sean Bolger

(Appointed 17 February 2025)

Frank Taaffe and Anthony Campbell held the position of company secretary for the duration of the financial year.

The directors and secretary had no interests in the share capital of the company at the beginning and end of the year.

DIRECTORS' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2025**

---

**Accounting records**

The company's directors acknowledge their responsibilities under sections 281 to 285 of the Companies Act 2014 to ensure that the company keeps adequate accounting records. The following measures have been taken:

- the implementation of appropriate policies and procedures for recording transactions;
- the provision of sufficient company resources for this purpose;
- liaison with the company's external professional advisers.

The accounting records are held at the company's registered office, 18 Clonmullion Estate Athy Co. Kildare R14 Y951.

**Research and development**

The company does not engage in Research and Development.

**Post reporting date events**

There have been no significant events affecting the company since the year end.

**Future developments**

The directors have indicated their intention to improve on performance by continuing to review and focus their operations accordingly in the future.

**Auditor**

In accordance with the Companies Act 2014, section 383(2), SCD Accountants Ltd continue in office as auditor of the company.

**Statement of disclosure to auditor**

Each of the directors in office at the date of approval of this annual report confirms that:

- so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware, and
- the director has taken all the steps that he / she ought to have taken as a director in order to make himself / herself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 330 of the Companies Act 2014.

**Small companies exemption**

The entity has availed of the small companies exemption contained in the Companies Act 2014 with regard to the requirements for exclusion of certain information in the Directors' report.

DIRECTORS' RESPONSIBILITIES STATEMENT  
FOR THE YEAR ENDED 31 MARCH 2025**

---

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under that law, the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* issued by the Financial Reporting Council (Generally accepted Accounting Practice in Ireland). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for that financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the board

**Opinion**

We have audited the financial statements of Athy Community Council Company Limited By Guarantee ('the company') for the year ended 31 March 2025, which comprise the statement of comprehensive income, the balance sheet, the statement of changes in equity and notes to the financial statements, including the summary of significant accounting policies set out in note 1. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* issued in the United Kingdom by the Financial Reporting Council.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 March 2025 and of its deficit for the year then ended;
- have been properly prepared in accordance with FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and the provisions available for small entities, in the circumstances set out in note 12 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

**Other information**

The directors are responsible for the other information in the annual report. The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## **INDEPENDENT AUDITOR'S REPORT**

### ***TO THE MEMBERS OF ATHY COMMUNITY COUNCIL COMPANY LIMITED BY GUARANTEE (CONTINUED)***

---

#### **Opinions on other matters prescribed by the Companies Act 2014**

In our opinion, based on the work undertaken in the course of the audit, we report that:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited, and the financial statements are in agreement with the accounting records.

#### **Matters on which we are required to report by exception**

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

The Companies Act 2014 requires us to report to you if, in our opinion, the requirements of any of sections 305 to 312 of the Act, which relate to disclosures of directors' remuneration and transactions, are not complied with by the company. We have nothing to report in this regard.

#### **Responsibilities of directors for the financial statements**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, if applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the company's financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the company's financial statements is located on the IAASA's website at: <https://iaasa.ie/publications/description-of-the-auditors-responsibilities-for-the-audit-of-the-financial-statements/>. This description forms part of our auditor's report.

#### **The purpose of our audit work and to whom we owe our responsibilities**

This report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

**1 Accounting policies**

**Company information**

Athy Community Council Company Limited By Guarantee is a limited company domiciled and incorporated in the Republic of Ireland. The registered office is 18 Clonmullion Estate, Athy, Co. Kildare, R14 Y951 and its company registration number is 182558.

**1.1 Basis of preparation**

These financial statements have been prepared in accordance with FRS 102 “The Financial Reporting Standard applicable in the UK and Republic of Ireland” (“FRS 102”), as adapted by Section 1A of FRS 102, and the requirements of the Companies Act 2014 and promulgated by Chartered Accountants Ireland.

The financial statements are prepared in euros, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest €.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

**1.2 Going concern**

At the time of approving the financial statements, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus the directors continue to adopt the going concern basis of accounting in preparing the financial statements.

**1.3 Income and expenditure**

Income and expenses are included in the financial statements as they become receivable or due. Income is represented by the total amount of grants and other public funding received during the year.

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes VAT where applicable as the company cannot reclaim it.

**1.4 Tangible fixed assets**

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings	15 % Straight Line
-----------------------	--------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to surplus or deficit.

**1.5 Cash and cash equivalents**

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

---

### 1 Accounting policies

(Continued)

#### 1.6 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

##### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

##### **Classification of financial liabilities**

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

##### **Basic financial liabilities**

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

#### 1.7 Derivatives

Derivatives are initially recognised at fair value at the date a derivative contract is entered into and are subsequently remeasured to fair value at each reporting end date. The resulting gain or loss is recognised in surplus or deficit immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in surplus or deficit depends on the nature of the hedge relationship.

A derivative with a positive fair value is recognised as a financial asset, whereas a derivative with a negative fair value is recognised as a financial liability.

#### 1.8 Taxation

The company has obtained exemption from the Revenue Commissioners in respect of corporation tax, it being a company not carrying on a business for the purposes of making a profit. DIRT tax is payable on any interest income received in excess of €32.

**1.9 Employee benefits**

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

**2 Income**

The total turnover of the company for the year has been derived from its principal activity wholly undertaken in the Republic of Ireland.

The company operates a Community Employment project with the grantor being the Department of Employment Affairs and Social Protection. In the year, the company managed two Community Employment Schemes that ran from the 17 September 2023 to the 13 September 2024 and from the 18 September 2024 to 12 September 2025.

The company receives non-performance related grants to fund the provision of the Community Employment. The amount of such grants received in the year for Community Employment amounted to €361,235 (2024: €364,808). All funds are applied for the running and operation of the Community Employment Schemes.

The Department of Employment Affairs and Social Protection funding is accounted for on an accruals basis. Under the accruals basis, revenues and expenses are recorded when they are earned.

The company was not in receipt of any capital grants in the year nor were there any restrictions on grants received.

**3 Employees**

The average monthly number of persons (including directors) employed by the company during the year was:
