DIRECTORS' REPORT

for the financial year ended 31 December 2025

The directors present their report and the unaudited financial statements for the financial year ended 31 December 2025.

Principal Activity and Review of the Business

The company is limited by guarantee and is solely established for the management of the common areas of Woodford View, Ballyconnell, Co. Cavan. The company is subject to the Multi-Unit Developments Act 2011 and is registered under the Companies Acts 2014.

The company meets the definition of an "Owners Management Company" under the Multi-Unit Developments Act 2011.

The Company is limited by guarantee not having a share capital.

There has been no significant change in these activities during the financial year ended 31 December 2025.

Principal Risks and Uncertainties

The directors are responsible for the company's system of internal controls and for reviewing its effectiveness. The internal control system is designed to manage, rather than eliminate the risk of failure to achieve the company's business objectives and can only provide reasonable and not absolute assurance against material misstatement or loss.

Financial Results

The surplus/(deficit) for the financial year amounted to €1,748 (2024 - €(3,843)).

At the end of the financial year, the company has assets of €12,116 (2024 - €9,289) and liabilities of €2,147 (2024 - €1,068). The net assets of the company have increased by €1,748.

Directors and Secretary

The directors who served throughout the financial year were as follows:

Ronan Gantly
Sheila McKiernan

The secretary who served throughout the financial year was Ronan Gantly.

The company is limited by guarantee and does not have any share capital. Therefore the directors and secretary who served during the year did not have a beneficial interest in the company.

All Directors serve in a voluntary capacity. The Directors are members of the Owners Management Company and own properties within the development.

In accordance with the Articles of Association, the directors retire by rotation and, being eligible, offer themselves for re-election.

Future Developments

Woodford View Management Company Limited by Guarantee maintains the development to a high standard and will continue to do so in the coming period. The company is also committed to managing and safeguarding a sinking fund for any future capital funding that may be required by the development.

Post Balance Sheet Events

There have been no significant events affecting the company since the financial year-end.

Taxation Status

The company is a close company within the meaning of the Taxes Consolidation Act, 1997.

Principal Risks and Uncertainties

The principal risks and uncertainties facing the company relate to the wider state of the Irish economy. Taxation increases and other property-related charges have limited the level of income of many owners and made it more difficult for some owners to pay all service charges in full and on time. Under the mandate of members, the directors are committed to enforcing the policy of collecting all legally enforceable debts to ensure that the company can continue to provide its services and safeguard the common areas for the benefit of all residents and owners.

The company operates solely in the Republic of Ireland. Therefore, it is not subject to currency risks. The company does not rely on borrowings and has little exposure to interest rate risk. The company's policy is to ensure that

Woodford View Management Company Limited By Guarantee DIRECTORS' REPORT

for the financial year ended 31 December 2025

sufficient resources are available from cash balances, cash flows and the sinking fund to ensure all current and capital expenditure obligations can be met when they fall due. As the development gets older, it is important that the property owners put aside sufficient funds to build a Sinking Fund adequate to requirements and this matter is discussed each year at the Annual General Meeting. The company does not foresee any immediate capital funding requirement, but should one arise the directors are satisfied that relevant systems are in place to respond accordingly either through the company's insurance policy, the sinking fund or by calling a meeting of the members in relation to any further funding requirements.

For multi-unit developments, expenditure under some budget headings have been impacted and the labour market effects of cost-of-living crises have also generated implications for the payment of service charges. The increase in inflation since late-2021 has affected the costs of the Company in multiple areas. These issues are being monitored closely by the OMC Directors and by the Managing Agent and this will continue to be the case.

Accounting Records

To ensure that adequate accounting records are kept in accordance with sections 281 to 285 of the Companies Act 2014, the directors have employed appropriately qualified accounting personnel and have maintained appropriate computerised accounting systems. The accounting records are located at the company's office at 26 Springlawn Heights, Blanchardstown, Dublin, D15AKC2.

DIRECTORS' RESPONSIBILITIES STATEMENT

for the financial year ended 31 December 2025

General responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under that law, the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors' declaration on unaudited financial statements

In relation to the financial statements which comprise the Income and Expenditure Account, the Balance Sheet, the Reconciliation of Members' Funds, the Cash Flow Statement and the related notes:

The directors approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.

The directors confirm that they have made available to S.P Hickey & Co. Limited, all the company's accounting records and provided all the information, books and documents necessary for the compilation of the financial statements.

The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the financial year ended 31 December 2025.

Woodford View Management Company Limited By Guarantee

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2025

1. General Information

Woodford View Management Company Limited By Guarantee is a company limited by guarantee incorporated in Ireland. 26 Springlawn Heights, Blanchardstown, Dublin, D15AKC2 is the registered office, which is also the principal place of business of the company. The nature of the company's operations and its principal activities are set out in the Directors' Report. The financial statements have been presented in Euro (€) which is also the functional currency of the company.

2. Summary of Significant Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Statement of compliance

The financial statements of the company for the year ended 31 December 2025 have been prepared on the going concern basis and in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (FRS 102). These are the company's first set of financial statements prepared in accordance with FRS 102

Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention except for certain properties and financial instruments that are measured at revalued amounts or fair values, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for assets. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council.

The company qualifies as a small company as defined by section 280A of the Companies Act 2014 in respect of the financial year, and has applied the rules of the 'Small Companies Regime' in accordance with section 280C of the Companies Act 2014.

Income

Income represents net service charges and sinking fund contributions received and receivable from unit holders/tenants for the period. Service charges are billed in accordance with the terms of head lease agreements and as agreed in accordance with Section 18 Multi-Unit Developments Act 2011.

For unit holders/tenants where collectability is not assured, revenue is recognised when it is probable that the economic benefits associated with the transaction will flow to the company. A provision for bad and doubtful debts is recognised where Directors deem that collectability is not assured.

Trade and other debtors

Trade and other debtors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method less impairment losses for bad and doubtful debts except where the effect of discounting would be immaterial. In such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the Balance Sheet bank overdrafts are shown within Creditors.

Trade and other creditors

Trade and other creditors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

Taxation

Current tax represents the amount expected to be paid or recovered in respect of taxable income for the financial year and is calculated using the tax rates and laws that have been enacted or substantially enacted at the Balance Sheet date.

3. Significant accounting judgements and key sources of estimation uncertainty

Significant Accounting Judgements and Key Sources of Estimation Uncertainty

The preparation of these financial statements requires management to make judgement, estimates and

Woodford View Management Company Limited By Guarantee

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2025

assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. Judgements and estimates are continually evaluated and are based on historical experiences and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the actual results. There are no estimates or assumptions that have a significant risk of causing material adjustments to the carrying amounts of assets and liabilities within the next financial year.

The directors consider the following to be its main critical judgement:
Impairment of Service Charge Arrears

The obligation to pay Service Charges is one to which each owner is legally bound under the term of their lease agreement with the Owners Management Company (OMC). Any arrears of service charges for the property are linked to the property and these are never written off. Arrears may build up on a specific property for a specific period but these will be recoverable in full when it comes to the sale of the property.

Interest is chargeable on all outstanding debts at settlement so that no benefit accrues from delaying payment and the company does not lose any value from the effect of inflation and the elapse of time on unpaid amounts charges in previous year. On this basis, no provision for impairment of service charges arrears is made.

4. Departure from Companies Act 2014 Presentation

The directors have elected to present an Income and Expenditure Account instead of a Profit and Loss Account in these financial statements as this company is a not-for-profit entity.

5. Service Charges

The whole of the company's income is attributable to its operations in the Republic of Ireland and is derived from the principal activity of managing, maintaining and repairing the common areas of the development known as Woodford View, Co. Cavan.

The annual management and service charges for 2024 were €14,400 (2023 : €12,720). The charges for 2024 and 2023 were derived from a historical based budget and apportioned out to members at a rate specified within each members lease agreement with the Owners Management Company.

10. Status

The liability of the members is limited.

Every member of the company undertakes to contribute to the assets of the company in the event of its being wound up while they are members, or within one year thereafter, for the payment of the debts and liabilities of the company contracted before they ceased to be members, and of the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributors among themselves, such amount as may be required, not exceeding € 1.

11. Capital commitments

The company had no material capital commitments at the financial year-ended 31 December 2025.

12. Post-Balance Sheet Events

There have been no significant events affecting the company since the financial year-end.

13. Approval of financial statements

The financial statements were approved and authorised for issue by the board of directors on 25 January 2026.
