Though faraway from Cameroon but in-line with our custom and tradition, we can give our deceased brother or sister a befitting burial in or out of Ireland in accordance with their wishes.

YANAC aims to reduce individual and/or family expenses to a reasonable and acceptable amount in the event of the death of one of its members.

YANAC provide funds through members contributions to cover funeral cost of a deceased member likewise moral support to the next of kin and the bereaved family.

Other objectives of YANAC are:

To motivate every Cameroonians to be part of this group.

To encourage Cameroonians not to live in isolation but to belong to YANAC within the Irish community to avoid cases in the past that have occurred in Ireland with our mortal remains.

HOW WE STARTED?

The birth of YANAC came to existence on the 26th of April 2023 because of the financial challenges faced by Cameroonians living in Ireland for so many years being unable to raise stress-free funds to repatriate loved one's bodies back to Cameroon and left with no other choices but to avail to alternative options such as cremation of their compatriot remains and other form of burials. It is often very painful when the family back home in Cameroon don't get a chance to say a final farewell to their loved ones. Could you imagine the pain parents goes through when they cannot see their child for the last time and vice versa.

Most times, people's nationalities are discovered only after their death, and they often do not know or have anyone in the community. It is often very shameful to face this kind of situation. hence the importance of being a member or supporter of a group such as YANAC.

YANAC uphold a strong sense of community spirit as one of its core principles and pledged. It will do whatever it takes to bring Cameroonians living in Ireland together. YANAC also, provide a platform to foster, encourage and to build a sense of belonging amongst its members towards a common goal of:

“YOU ARE NOT ALONE CAMEROONIANS - WE GOT YOUR BACK”.

The well-being of Cameroonian community is our top priority as they are in our hearts in everything we do - **“Together in Solidarity We Are Stronger”**.

It is now two and half years since the inception of YANAC, it is worth mentioning that we are still pulling stronger together and belief that individually we will go far but together we shall go further by exceeding our desire goals, targets, expectations and objectives.

Together, we have made history in 2025 by raising €41k within a timeframe of less than a month to assist three Yanac families within the Cameroon community. I want to acknowledge that without the tremendous support of YANAC members this would not have been possible. We can proudly say goodbye to those days when we struggle to repatriate mortal remains back home or to give a befitting burial to our loved ones due to financial hardship.

Now, we have a duty to uphold YANAC slogan **“You Are Not Alone - Cameroonians”** which denote **Together in Solidarity we are Stronger – We got your back, & We act, & We care.**

To all my Cameroonian’s compatriots in and out of Ireland especially to the YANAC community and others yet to join this movement, I say **“Thank You”**.
