Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

#### Basis of Preparation

The financial statements are prepared in accordance with generally accepted accounting principles under the historical cost convention and comply with financial reporting standards of the Accounting Standards Board.

#### Cash Flow Statements

The company meets the size criteria for a small company set by the Companies (Amendment) , it has not prepared a cash flow statement.

#### Tangible Fixed Assets and Depreciation

Tangible fixed assets are stated at cost less accumulated depreciation. The charge for depreciation is calculated to write down cost of tangible fixed assets to their estimated residual value over their expected useful lives.

#### Stocks

Stock which comprise plumbing materials for resale together with related costs are stated at the lower of cost and net realisable value.

#### Leased Assets

Tangible fixed assets acquired under finance leases are included in the balance sheet at their equivalent capital value and are depreciated over the shorter of the lease term and their useful lives. The corresponding liabilities are recorded as a creditor and the interest element of the finance lease rentals is charged to the profit and loss account on an annuity basis. Operating lease rentals are charged to the profit and loss account on a straight line basis over the lease term.

#### Taxation

The charge for taxation is based on the profit for the year. Deferred taxation is not accounted for in respect of timing differences.
