## STATEMENT OF DIRECTORS' RESPONSIBILITIES FOR YEAR ENDED 30 JUNE 2025

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to :

- \* select suitable accounting policies and then apply them consistently ;
- \* make judgements and estimates that are reasonable and prudent ;
- \* prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper books of account which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Acts 2014. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Directors declaration on unaudited financial statements**

They have been prepared on the going concern basis on the grounds that the company will continue in business.

The Directors confirm that to the best of their knowledge and belief, the accounting records reflect all transactions of the company for the year ended 30th June 2025
