Bernard Vecchio	100	100
Sharon Vecchio	-	-

The original report was approved by the board on 9th March,2026 and signed by Bernard Vecchio and Sharon Vecchio

## Directors' Responsibilities Statement

### General Responsibilities

These abridged accounts have been extracted, pursuant to section 353 of the Companies Act 2014, from the statutory financial statements prepared under section 290 of that Act. The following is the Directors Responsibilities Statement accompanying those financial statements.

The directors are responsible for preparing the Annual Report and the Financial Statements in accordance with applicable Irish law and regulations.

Irish Company Law requires the directors to prepare financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland. Under Company Law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end and otherwise comply with the Companies Act 2014.

In preparing these financial statements the directors are required to:

1. select suitable accounting policies and apply them consistently
2. make judgments and estimates that are reasonable and prudent
3. state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards and note the effect and the reasons for any material departure from those standards; and
4. prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper books of account which disclose with reasonable accuracy at any time the financial position of the company and to enable to ensure that the financial statements comply with the Companies Act 2014 and all Regulations to be construed as one with those acts. They are also responsible for ensuring the company otherwise complies with the provisions of those Acts relating to the financial statements, as far as they are applicable to the company.

They are also responsible for taking such steps as are reasonably open to them to safeguard the assets of the company and hence for taking steps for the prevention and detection of fraud and other irregularities.

### Directors' declaration on unaudited financial statements.

In relation to the financial statements as set out on pages 4 to 6 :

- ( a ) The directors approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgments underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.
- ( b ) The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the year ending 31st August 2025.
- ( c ) The directors confirm that they have made available to Ronan Leech and Company, all the company's accounting records and provided all the information, books or documents necessary for the completion of the financial statements.

## Accounting Policies

The significant accounting policies adopted by the company are as follows:-

### **Historical Cost Convention**

These accounts are prepared under the historical cost convention.

### **Tangible Assets**

Freehold land and buildings are stated at cost or valuation less accumulated depreciation on buildings.

Depreciation is calculated in order to write off the cost of the tangible assets over their estimated useful lives by equal annual instalments or reducing annual instalments.

### **Leases**

Where tangible assets are financed by leasing agreements which transfer the risks and benefits of ownership (finance leases), they are treated as if they had been purchased outright at the present values of the minimum lease payments. The corresponding obligations are shown in the balance sheet as finance leases.

Depreciation is calculated in order to write off the amounts capitalised over the estimated useful lives of the assets by equal annual instalments.

The excess of the total rentals under a lease over the amount capitalised is treated as interest, which is charged to the profit and loss account in proportion to the amount outstanding under the lease.

### **Stocks**

Stocks are stated at the lower of cost and net realisable value.

### **Foreign Currencies**

Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rates ruling at the balance sheet date and revenues, costs and non-monetary assets at the exchange rates ruling at the dates of the transactions.

Profits and losses arising from foreign currency translations and on settlement of amounts receivable and payable in foreign currency are dealt with through the profit and loss account.

Monetary assets are monies held and amounts to be received in money. All other assets are non-monetary assets.

The directors have relied on the specific exemption contained in Section 352 of the Companies Act 2014 on the grounds that the company is entitled to the benefit of that exemption as a small company and the abridged accounts have been properly prepared in accordance with Section 353.

The directors state that:

- (a) the company is availing itself of the exemption provided for by Chapter 15 of Part 6 of the Companies Act 2014;
- (b) the company is availing itself of the exemption on the grounds that Section 358 is complied with;
- (c) no notice under subsection (1) of Section 334 has, in accordance with subsection (2) of that section, been served on the company;
- (d) they acknowledge the company's obligations under Companies Act 2014, to keep adequate accounting records and to prepare Financial Statements which give a true and fair view of the assets, liabilities and financial position of the company at the end of its financial year and of its profit or loss for such a year and to otherwise comply with the provisions of Companies Act 2014 relating to Financial Statements so far as they are applicable to the company;
- (e) the company has relied on the specified exemption contained in section 352 of the Companies Act 2014; has done so on the grounds that the company is entitled to benefit of that exemption as a small company and the abridged accounts have been properly prepared in accordance with section 353 of the Companies Act 2014.

On behalf of the board.
