NOTES TO THE ABRIDGED FINANCIAL STATEMENTS

for the financial year ended 28 February 2025

1. General Information

The financial statements comprising the Profit and Loss Account, the Balance Sheet and the related notes constitute the individual financial statements of Latent Search Limited for the financial year ended 28 February 2025.

Latent Search Limited is a private company limited by shares (registered under Part 2 of Companies Act 2014), incorporated and registered in the Republic of Ireland (CRO number 717365). The registered office of the company is Ballyda, Rathcormac, Co Cork which is also the principal place of business of the company.

The financial statements have been presented in Euro (€) which is also the functional currency of the company.

2. Summary of Significant Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 105 "The Financial Reporting Standard applicable to the Micro-Entities Regime" issued by the Financial Reporting Council.

The company qualifies as a micro company as defined by section 280D of the Companies Act 2014 in respect of the financial year, and has applied the rules of the 'Micro Companies Regime' in accordance with section 280E of the Companies Act 2014 and FRS 105.

Turnover

Turnover comprises the invoice value of goods supplied by the company, exclusive of trade discounts and value added tax.

Trade and other debtors

Trade and other debtors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method less impairment losses for bad and doubtful debts except where the effect of discounting would be immaterial. In such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

Trade and other creditors

Trade and other creditors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

Taxation

The charge for taxation is based on the profit for the financial year and is calculated with reference to the tax rates applying at the financial year end date in the jurisdiction where the tax is applied. Deferred taxation is not recognised.

Foreign currencies

Financial Instruments

Other financial assets

Other financial assets, including trade debtors for goods sold to customers on short-term credit, are initially measured at the transaction price including transaction costs, and are subsequently measured at the transaction price plus transaction costs not yet recognised, cumulative interest income less repayments and impairment, where there is evidence of impairment.

Loans and borrowings

All loans made by the company are initially recorded at the amount loaned plus transaction costs. Subsequently, loans made by the company are stated at the transaction price plus transaction costs not yet recognised and cumulative interest income earned minus repayments and any reduction for impairment or uncollectability, where there is evidence of impairment.

Latent Search Limited**NOTES TO THE ABRIDGED FINANCIAL STATEMENTS**

for the financial year ended 28 February 2025

All borrowings by the company are initially recorded at the amount borrowed less transaction costs. Subsequently, borrowings are stated at the transaction price minus transaction costs not yet recognised and repayments plus cumulative interest expenses incurred.

Loans and borrowings are classified as current assets or liabilities unless the borrower has an unconditional right to defer settlement of the liability for at least twelve months after the financial year end date.

Other financial liabilities

Other financial liabilities, including trade creditors, are initially measured at transaction price less transaction costs, and are subsequently measured at the transaction price less transaction costs not yet recognised in profit or loss and repayments plus cumulative interest expenses incurred.

Impairment of financial assets

At the end of each reporting period, the company assesses whether there is evidence of impairment of any financial assets, including investments, loans, trade debtors and cash. If there is evidence of impairment, impairment losses are recognised in the Profit and Loss account in that financial year.

Share capital of the company**Ordinary share capital**

The ordinary share capital of the company is presented as equity.
