I as Director of Entity Insights Limited, state that -

(a) the company is availing itself of the exemption provided for by Chapter 15 of Part 6 of the Companies Act 2014,

(b) the company is availing itself of the exemption on the grounds that the conditions specified in section 358 are satisfied,

(c) the shareholders of the company have not served a notice on the company under section 334(1) in accordance with section 334(2),

(d) I acknowledge the company's obligations under the Companies Act 2014, to keep adequate accounting records and prepare financial statements which give a true and fair view of the assets, liabilities and financial position of the company at the end of its financial period and of its profit or loss for such a financial period and to otherwise comply with the provisions of the Companies Act 2014 relating to financial statements so far as they are applicable to the company,

(e) the company has relied on the specified exemption contained in section 352 Companies Act 2014. The company has done so on the grounds that the company is entitled to the benefit of that exemption as a small company and the abridged financial statements have been properly prepared in accordance with section 353 Companies Act 2014 and the micro companies' regime.

Approved by the board on 12 December 2025 and signed on its behalf by:

Daniel Iancu
Director

Entity Insights Limited

NOTES TO THE ABRIDGED FINANCIAL STATEMENTS

for the financial period from 29 July 2024 (date of incorporation) to 28 February 2025

1. General Information

Entity Insights Limited is a company limited by shares incorporated and registered in Ireland. The registered number of the company is 768619. The registered office of the company is 75 Patrick Street, Dun Laoghaire, Co Dublin, Ireland which is also the principal place of business of the company. The financial statements have been presented in Euro (€) which is also the functional currency of the company.

2. Summary of Significant Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Statement of compliance

The financial statements of the company for the financial period ended 28 February 2025 have been prepared on the going concern basis and in accordance with FRS 105 "The Financial Reporting Standard for Micro-Entities applicable in the UK and Republic of Ireland" (FRS 105).

Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 105 "The Financial Reporting Standard applicable to the Micro-Entities Regime" issued by the Financial Reporting Council.

The company qualifies as a micro company as defined by section 280D of the Companies Act 2014 in respect of the financial period, and has applied the rules of the 'Micro Companies Regime' in accordance with section 280E of the Companies Act 2014 and FRS 105.

Accounting Convention

The financial statements are prepared under the historical cost convention.

Turnover

Turnover comprises the invoice value of goods supplied by the company, exclusive of trade discounts and value added tax.

Trade and other debtors

Trade and other debtors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method less impairment losses for bad and doubtful debts except where the effect of discounting would be immaterial. In such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

Borrowing costs

Borrowing costs relating to the acquisition of assets are capitalised at the appropriate rate by adding them to the cost of assets being acquired. Investment income earned on the temporary investment of specific borrowings pending their expenditure on the assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

Trade and other creditors

Trade and other creditors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

Taxation

Current tax represents the amount expected to be paid or recovered in respect of taxable profits for the financial period and is calculated using the tax rates and laws that have been enacted or substantially enacted at the Balance Sheet date.

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated at the rates of exchange ruling at the balance sheet date. Transactions, during the financial period, which are denominated in foreign currencies are translated at the rates of exchange ruling at the date of the transaction. The resulting exchange differences are dealt with in the Profit and Loss Account.

Ordinary share capital

The ordinary share capital of the company is presented as equity.
